Audition information is located at gmea.org. (Divisions, Band, All-State Band, Audition Information)

- Middle School Band Scales & Etudes
- Score Sheets Example

Students are strongly encouraged to participate in weekly lessons (private study) with a teacher. The audition is a competitive process where students are expected to be competent in scales, etudes, and sight-reading. Each year, approximately 10-15 River Trail students earn a chair in the Georgia All-State Bands making us one of the most competitive schools in the state. Earning a chair in the All-State Band is the highest honor a middle student can achieve! I sincerely hope your student will accept this challenge and begin working towards an impressive goal!
